### FRENCH HYBRID LILACS

ALMOST everybody knows and loves the old-fashioned purple Lilac, but only a few know how exquisitely lovely the French Hybrids are. They are just as easy to grow, and bloom when they are even younger. The flowers are relatively huge, and are borne in enormous clusters, sometimes six or seven clusters combined in one great truss. There are several hundred varieties, from which we have selected fifteen single and double kinds in a complete range of color.

Belle de Nancy. Double; rose-lilac.
Charles Joly. Double; crimson-purple.
Charles X. Single; bluish violet.
